

Division of Mental Health and Addiction

Building partnerships and collaborations to create a successful recovery community.

Early Rise for Recovery

INDIANA SYMPOSIUMS ON OPIOID TREATMENT PROGRAMS

Scan the QR code to register* or visit <https://cvent.me/0g1x7e>

*Limit 200 attendees per venue.

Join us as Indiana’s Family and Social Services Administration’s Division of Mental Health and Addiction brings together community partners and providers to listen and learn about Opioid Treatment Programs (OTPs) in Indiana with 5 regional symposiums. These symposiums are being presented to provide a space for partners to learn from each other and have brave conversations about the many barriers and challenges Hoosiers face and to help Indiana combat the stigma surrounding mental health/addiction treatment and services. Through these partnerships and conversations, FSSA/DMHA hopes to grow a recovery community that is sustainable and welcoming to all.

**Merrillville, IN
May 23, 2023**

**New Albany, IN
June 20, 2023**
